1 - GENERALITES

Créée en date du 9 juin 2016, Amundi Index Solutions (la « SICAV ») a la structure d'une société anonyme et est qualifiée comme « Société d'investissement à Capital Variable » (« SICAV ») en vertu des lois du Grand-Duché de Luxembourg. Les statuts constitutifs (les « Statuts ») ont été initialement publiés dans l'extrait Recueil des Sociétés et Associations, le 17 juin 2016.

LA SICAV est soumise à la section I de la loi du 17 décembre 2010 dans sa version modifiée, relative aux organismes de placement collectif.

La SICAV est enregistrée sous le numéro B 206.810 au registre du commerce du Luxembourg, dans lequel ses statuts sont disponibles à des fins d'inspection. Une copie de ceux-ci peut être remise sur demande.

Le capital de la SICAV est représenté par la somme des actifs nets de tous les compartiments.
Le rapport annuel daté du 30 septembre 2023 est basé sur la dernière valeur nette d'inventaire officielle en date du 29 septembre 2023.

Au 30 septembre 2023, les compartiments suivants étaient actifs :

- Le compartiment AMUNDI INDEX EURO CORP BBB 1-5 a été renommé AMUNDI EUR CORPORATE BLED 1-5Y ESG le 16 juin 2023.

2 - PRINCIPALES MÉTHODES COMPTABLES

PRÉSENTATION DES ÉTATS FINANCIERS

Les états financiers de la SICAV sont établis conformément aux prescriptions réglementaires en vigueur au Luxembourg relatives aux organismes de placement collectif. Les états financiers sont établis selon le principe de la continuité de l'exploitation, sauf pour le compartiment AMUNDI MSCI WORLD ESG LEADERS SELECT.
Comme indiqué à la note 14, le compartiment a été liquidé après la fin de l'année. Les états financiers ont donc été établis selon le principe de la continuité de l'exploitation. L'application de la continuité de l'exploitation n'a pas entraîné d'importants ajustements de la valeur nette d'inventaire du compartiment.

POLITIQUE D'ÉVALUATION

Evaluation du Portefeuille-titres

Les valeurs mobilières et les instruments du marché monétaire admis à la cotation ou négociés sur un marché boursier ou négocié sur tout autre marché réglementé sont généralement valorisés au dernier cours du marché disponible le jour ouvré concerné. L'ensemble des titres russes ont été évalués à leur juste valeur, la valeur nulle ayant été retenue (voir note 14).
Les titres non cotés, ou les titres cotés dont le prix déterminé selon la méthode ci-dessus n'est pas représentatif de leur juste valeur de marché, sont valorisés de bonne foi selon une estimation prudente de leur prix de vente.

Evaluation des contrats de change à terme

Les contrats de change à terme (forwards de change) en cours sont évalués à la date de clôture en fonction du taux de change applicable à la durée de vie restante du contrat. La plus-value ou moins-value latente des contrats de change à terme est communiquée dans les comptes.

Evaluation des contrats "futures"

La SICAV a conclu une série de marchés à terme (« futures ») au cours de l'année. À la fin de l'année, les contrats en cours sont évalués à leur valeur liquidative nette sur la base du cours de clôture du marché boursier sur lequel ces contrats sont négociés. La variation des plus-values ou moins-values latentes est indiquée dans l'État des opérations et des variations de l'Actif net.

Evaluation des swaps

Les contrats d'échange de rendement total sont des contrats par lesquels l'une des parties cède à l'autre partie la performance totale d'un actif de référence, y compris tous les intérêts, revenus de commissions, gains ou pertes du marché et pertes de crédit. Les contrats d'échange de rendement total conclus par les compartiments prennent la forme de contrats d'échange non financés, c'est-à-dire de contrats d'échange n'impliquant aucun paiement initial à la conclusion du contrat par la partie qui reçoit le rendement total.
Les contrats d'échange sont évalués à la valeur nette actuelle de leurs flux de trésorerie. Les intérêts à recevoir sur contrats d'échange sont repris à la rubrique « A recevoir sur contrats swaps » de l'État de l'actif net, tandis que les intérêts à payer sur contrats d'échange sont repris à la rubrique « A payer sur contrats swaps » de l'État de l'actif net.

REVENUS DE DIVIDENDES ET D'INTÉRÊTS

Le revenu de dividende est enregistré à la date ex-dividende et hors retenue fiscale à la source; le revenu inclut également les montants de dividendes nets reçus des contreparties des titres prêtés. Le revenu des intérêts est enregistré selon la comptabilité d'engagement.

CONVERSION D'ÉLÉMENTS LIBELLES EN DEVISES ÉTRANGÈRES

Les dépôts bancaires, les autres actifs nets ainsi que la valeur des titres en portefeuille libellés dans des devises autres que la devise de référence du compartiment sont convertis dans la devise de référence du compartiment au taux de change en vigueur à la date de clôture. Les produits et charges libellés dans une devise autre que la devise de référence du compartiment sont convertis dans la devise de référence du compartiment sur la base des taux de change en vigueur à la date de comptabilisation.

Les états financiers combinés sont exprimés en euros (EUR) et son calculés en additionnant l'actif net de tous les compartiments.

2 - PRINCIPALES MÉTHODES COMPTABLES (suite)

CONVERSION D'ÉLÉMENTS LIBELLES EN DEVISES ÉTRANGÈRES (suite)

Les taux de change utilisés sont les suivants :

1 EUR	=	3,88885	AED	1 EUR	=	1,64045	AUD	1 EUR	=	5,29925	BRL

PLUS-OU MOINS-VALUE NETTE RÉALISÉE SUR VENTE DE TITRES D'INVESTISSEMENT

La plus-value/(moins-value) nette réalisée sur la vente de titres d'investissement est déterminée sur la base du coût moyen des titres vendus. Pour les contrats de change à terme, la plus-value ou moins-value réalisée est calculée pour chaque contrat de change à terme. Dans le cas des marchés à terme (futures) financiers, le principe est « first in first out ». Les opérations de swaps sur actions sont calculées en prenant en considération aussi bien la partie flottante correspondant au taux d'intérêt des contrats que la partie flottante relative à la performance de l'action sous-jacente du contrat.

FRAIS DE TRANSACTIONS

Les frais de transaction incluent les frais découlant de l'encodage de chaque nouvelle opération (achat ou vente) par le service dédié de CACEIS Bank, Luxembourg Branch, les commissions de forex, les commissions des marchés boursiers et les frais de traitement relatifs aux opérations sur les titres en portefeuille et sur les contrats de change à terme. Les frais de transaction sont indiqués à la rubrique « Frais de transaction ».

PRETS ET EMPRUNTS DE TITRES

Dans les opérations de prêt et d'emprunt de titres, un prêteur transfère des titres ou des instruments à un emprunteur à la condition que cet emprunteur s'engage à rendre des titres ou instruments équivalents à une date future ou lorsque le prêteur en fait la demande. Dans le cadre d'opérations de ce type, un compartiment peut prêter des titres ou des instruments à n'importe quelle contrepartie soumise à des règles de surveillance prudentielle que la CSSF considère comme équivalentes à celles prescrites par la législation de l'UE.

Un compartiment peut prêter des titres en portefeuille directement ou par l'intermédiaire :
- d'un système de prêt standardisé organisé par une chambre de compensation reconnue ;
- d'un système de prêt organisé par une institution financière spécialisée dans les opérations de ce type.

L'emprunteur doit constituer une garantie valable pendant toute la durée du prêt et au moins égale à la valorisation totale des titres prêtés majorée de la valeur de toute décote jugée appropriée au vu de la qualité de la garantie.

Les éléments de revenus sur prêt de titres présentés dans l'état des opérations et des variations de l'actif net sont indiqués sur une base nette, soit le revenu brut après déduction des frais directs et indirects à proportion de 35 %. Le revenu brut et les frais sont enregistrés selon la comptabilité d'engagement. L'exécution des transactions EPM a été confiée à Amundi Intermediation et CACEIS Bank, Luxembourg Branch qui sont des parties liées.

2 - PRINCIPALES MÉTHODES COMPTABLES (suite)

POLITIQUE EN MATIÈRE DE DIVIDENDES (suite)

Les actions de distribution distribueront tout ou partie du revenu d'investissement net reçu par le compartiment concerné, et peuvent également distribuer des plus-values de capital (latentes et réalisées) ainsi que du capital. Lorsqu'un dividende est déclaré, la VNI de la catégorie concernée est réduite du montant du dividende.

Les dividendes peuvent être déclarés sur base annuelle, trimestrielle ou mensuelle, comme indiqué par le suffixe de la catégorie d'actions (QD, MD, YD). Ces actions fixent un montant de dividende cible communiqué par avance. Il s'agit d'un montant que le compartiment aspire à verser mais ne garantit pas. Les dividendes cibles peuvent être indiqués sous la forme d'un montant spécifique ou d'un pourcentage de la VNI. Pour pouvoir verser le montant du dividende cible, il peut arriver qu'un compartiment verse en dividende un montant supérieur au montant réellement gagné, ce qui signifie que les investisseurs récupèrent une partie de leur capital sous forme de dividende.

Pour de plus amples informations concernant le calendrier et les objectifs de dividendes, veuillez consulter amundi.com et/ou amundietf.com.

Les catégories d'actions dépourvues de suffixe (QD, MD ou YD) déclarent un dividende annuel en novembre.

Des dividendes supplémentaires peuvent être déclarés sur décision du Conseil d'administration.

Les dividendes des actions de distribution sont réinvestis automatiquement ou versés selon les coordonnées bancaires en possession d'Amundi pour le compte des Actionnaires. Les dividendes de chaque catégorie d'actions sont payés dans la devise de la catégorie d'actions concernée. Les Actionnaires peuvent demander la conversion de leurs dividendes dans une devise différente. Si la devise demandée fait partie des devises acceptées par le compartiment, il n'y a typiquement pas de frais de change. Dans les autres cas, les Actionnaires se verront généralement facturer les frais de change en vigueur.

Les paiements de dividendes non réclamés sont restitués au compartiment au bout de cinq ans. Les dividendes sont payés uniquement sur les actions détenues à la date d'enregistrement.
Aucun compartiment n'effectuera de paiement de dividende si les actifs de la SICAV sont inférieurs aux exigences de fonds propres ou si le paiement de dividendes est susceptible de réduire le capital à un niveau inférieur aux exigences de fonds propres.

ABRÉVIATIONS

Dans les Portefeuille-Titres, XX XX/XXA fait référence aux Obligations perpétuelles.

3 - FRAIS DE GESTION ET FRAIS ADMINISTRATIFS

Amundi Luxembourg S.A. a droit à recevoir de la SICAV les commissions de gestion calculées pour chaque compartiment. Ces commissions sont calculées et acquises chaque Jour de négociation et payables trimestriellement à terme échu. Amundi Luxembourg S.A. est responsable du paiement des commissions aux gestionnaires d'investissement, aux prestataires de services et aux distributeurs.

La commission d'administration est une commission exprimée en pourcentage de la VNI des compartiments et des catégories d'actions, payable trimestriellement à terme échu à Amundi Luxembourg S.A. et calculée chaque jour.

Les taux de commissions de gestion et les frais administratifs appliqués au 30 septembre 2023 sont précisés ci-dessous :

4 - TAXE D'ABONNEMENT

La SICAV est normalement soumise à une taxe d'abonnement. Cependant, tous les compartiments remplissent les critères d'exemption de la taxe d'abonnement conformément à l'article 175 e) de la loi de 2010 car (i) au moins une classe de leurs actions a été cotée sur une bourse réglementée et (ii) leur objet exclusif est de répliquer la performance d'un ou de plusieurs indices.
La SICAV n'est actuellement soumise à aucun autre impôt sur le revenu ou les plus-values.
Les informations fiscales sont exactes à la connaissance du Conseil d'administration, mais il est possible que l'autorité fiscale impose de nouveaux impôts (y compris rétroactifs).

5 - CONTRATS DE CHANGE A TERME
